

PART B: POSTED SEPTEMBER 23rd, 2020

EXERCISE 1 PART B: POSTED SEPTEMBER 23rd 2020

DUE: (WITH PART A SEPTEMBER 30th)

For Part B of the Exercise – I have decided that we use a completely new page – to avoid ANY potential conflicts.

Please use the template file (EXERCISE_1B.HTML - as a starting point) provided.

The goal of this exercise is for you to practice simple drawing and animation using the HTML 5 canvas element.

FOLLOW the steps as listed (**AS COMMENTS**) in the template file — there are **6** steps.

I have also provided you with starter code in the file – so you should not rewrite any of that code – rather you should **USE** it and **EXTEND** upon it to complete the exercise. You can use any of the examples that we went over in class ...

Please put links to both PARTS A and B of the exercise on your class website and provide the links in The Moodle Assignment.
